These Rules and Regulations together with the Declaration of Covenants, Conditions and Restrictions (DCCR) and Bylaws are the sole sources of Rules and Regulations governing the Plantation Homeowner's Association Inc. (PHOA).

The Board of Directors, pursuant to Article VIII of the DCCR, may make and enforce reasonable rules and regulations, which are put in place to maintain property values and help in the peaceful coexistence of the residents of our community. They can also serve to more fully explain a restriction that may be less clear.

These Rules and Regulations apply to all OWNERS, renters, occupants, their families, guests, and invitees.

These Rules and Regulations supersede, replace and have precedence over all previous Rules and Regulations on this subject matter effective as of September 09, 2019

Section A: Fines for Violations

Violation of any of the Rules and Regulations, unless otherwise indicated, is subject to the following fine structure:

1. First, the Plantation Homeowners Association (PHOA), Inc. will give written notice to the OWNER by certified mail at the OWNER'S last known address as shown on the PHOA records. No fine will be imposed to the OWNER if violation is corrected to conform to the Rules and Regulations within fifteen (15) calendar days of notice.
2. Second, the OWNER may submit a written request for a hearing to discuss and verify facts and resolve the matter in issue before the PHOA Board of Directors on or before thirty (30) calendar days after the date the notice was mailed to the OWNER.
3. Third, if violation for the same offense is not corrected to conform to the Rules and Regulations or a written request for hearing has not been submitted between sixteen (16) calendar days and thirty (30) calendar days of notice, the OWNER will be fined twenty-five-dollars (\$25.00) per day, beginning on the sixteenth (16th) calendar day of notice.

Should an OWNER delay in the payment of fines, said OWNER and fines will be referred to the PHOA's attorney for collection.

Section B: Declaration of Covenants, Conditions and Restrictions

Below is a condensed version of some of the OWNER restrictions in the Declaration of Covenants, Conditions and Restrictions (DCCR), and the additional rules clarifying sections, which have been approved by the PHOA Board of Directors.

Section 6.5 Storage:

No boat, boat trailer or recreational equipment, truck or heavy equipment shall be stored on any lot. No lot shall be used for storage or placement of any items other than OWNER'S private passenger vehicle (except as herein permitted). This section shall not be deemed to prohibit storage inside the OWNER'S house or garage (out of sight from the street or adjoining lots) of OWNER'S personal possessions.

No OWNER of a lot shall park, store, or keep any vehicle except wholly within the parking space designated there for, and no OWNER shall park, store, or keep any truck, camper, boat, trailer, or aircraft, or any vehicle other than a private passenger vehicle on any parking space not enclosed and covered (garage). More specifically, no truck, camper, boat, trailer, aircraft, or any vehicle other than a private vehicle may be parked on a driveway. In no event shall any truck larger than a one (1) ton pickup be parked, stored, or kept in any parking space. No OWNER of a lot shall repair or restore any motor vehicle, boat, trailer, aircraft, or other vehicle on any portion of any lot, or on the COMMON AREA, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility. No OWNER shall park a vehicle on his driveway in such a manner that such vehicle extends into the street. No vehicle, trailer, boat or obstruction of any kind shall be allowed to park in or obstruct the alleyways.

Section 6.6 Placement – Section 6.6G:

No air conditioning units or other mechanical equipment located outside a residence shall be placed in the front or side yard of any lot unless completely enclosed by a wall to shield said equipment from view and to dampen any noise created by such equipment. This covenant shall not be deemed to prohibit air conditioning "window units."

Rule Clarifying Section 6.6G:

An air conditioning unit or other mechanical equipment located outside a residence will be allowed to be on the side or back yard of any lot and does not need to be enclosed by a wall.

Section 6.7 Off Street Parking:

Each OWNER shall within thirty (30) days after a residence is placed on a lot provide driveway and parking facilities for off street parking for each of OWNER'S vehicles and for vehicles of guests. Provided, however, that this restriction shall not prohibit guests of OWNER from parking along the street for reasonable periods of time.

Rule Clarifying Section 6.7 Off Street Parking and addressing Vehicle Parking Stickers:

Periods of time for parking for all OWNERS, renters and guests along the street will be from 7 a.m. to midnight daily. Special event permits will allow for parking after midnight. However, permit must be picked up at least eight (8) hours prior to the event and will be issued by PHOA administration.

PHOA will give written notice to OWNER by certified mail at the OWNER'S last known address as shown on the PHOA records. The five (5) days prior notice will serve for a period of one year from the time it was issued. Thus, the OWNER is responsible for his/her violation and the violation of all members of his/her household. It follows that notice to the OWNER serves as notice to all members of his/her household. No fine will be imposed to the OWNER if violation is corrected to conform to the Rules and Regulations within five (5) calendar days of notice.
2. Secondly, once a single five (5) day prior written notice is given, no further notice is required for repeat violators of the Off-Street Parking rules and the OWNER will be subject to an immediate fine of twenty-five-dollars (\$25.00) per day.

Should an OWNER delay in the payment of fines, said OWNER and fines will be referred to the PHOA's attorney for collection.

Vehicle Parking Stickers:

All vehicles must be registered and display a Vehicle Parking Sticker, which will be issued every four months. An OWNER will receive for FREE up to four (4) stickers in total if PHOA assessments are current. An OWNER with more than one property will pay twenty-dollars (\$20.00) for each additional sticker. Rule Clarifying Section 6.9 Signs:

OWNERS are allowed to place one (1) "for sale" sign or one (1) "for rent" sign on their lots, but not two (2) signs. All pets are to be maintained and controlled as outlined in rules published from time to time by DECLARANT. All pets must be kept on a leash when not confined to OWNER'S lot. No pets shall be allowed on the COMMON AREA or on another OWNER'S lot.

It follows that notice to the OWNER serves as notice to all members of his/her household. No fine will be imposed to the OWNER if violation is corrected to conform to the Rules and Regulations within five (5) calendar days of notice.

2. Secondly, once a single five (5) day prior written notice is given, no further notice is required for repeat violators of the Waste Container rules and the OWNER will be subject to an immediate fine of twenty-five-dollars (\$25.00) per day.
